NOTICE TO THE RESIDENTS OF THE TOWN OF BETHEL

The Town of Bethel is investigating the possibility of constructing a bicycle path which would initially connect the village with Telstar Regional High School. The construction of the path could be funded in part by the Federal Highway Administration and the approval of the local community of matching funds. The limit of the Federal-aid share of planning and research project cost is approximately 80%.

The Town is interested in your reactions concerning the proposed bicycle path. It is hoped that the path would be useful for commuter and recreational bicycling as well as walking and jogging.

On Wednesday, May 3, a representative from the Town Office will be administering a survey at the Bethel schools. Please contact the Town Office with suggestions or comments concerning the proposed bicycle path. We are interested in the reactions of both children and adults. Also, any citizen who is interested in serving on a Bicyway Committee should contact the Town Office.

Mrs. Catherine Johnson and daughter, Kathy, and Janet Johnson, Bailey Island, visited a few days last week with Mr. and Mrs. Richard Carter and Mr. and Mrs. Randall Stevens.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Bethel's annual clean-up day will be Monday, May 15. Highway Department crews will be picking up leaves, brush and other refuse materials put out at the roadside. Materials should be placed in disposable containers or in the case of brush, tied in bundles. All materials should weigh no more than can be lifted by two men.

Dog Officer Diane Hunt has completed the dog census which showed that there are 465 dogs in the community. Ninety-seven of these dogs have not been licensed for 1978. Owners of unlicensed dogs should license these dogs as soon as possible as appropriate action will be taken against owners of unlicensed dogs in the next few weeks. Such action will result in increased costs to the dog owner. Dog licenses for males and spayed females are \$2.00 and \$1.00, for unsponsored females are \$6.00.

The Board of Assessors are currently doing the field work necessary to set the 1978 property valuations. Properties constructed between April 1, 1977 and March 31, 1978 along with properties where major renovations have occurred are being inspected, measured and valued under established guidelines. Personal property is being reviewed, with inspections being made where necessary.

The next meeting of the Assessors will be Monday, May 1, at 7 p.m. in the Town Office and the next Selectmen's meeting will be Monday, May 8, at 7 p.m. in the Bethel Savings Bank Meeting Room. The Planning Board will meet Tuesday evening, May 2, in the Town Office.

Northwest Bethel

Clarice Gibson, Corres.

The children will be going back to school today. Am afraid that they did not have a very good vacation weatherwise. We even had enough snow Wednesday evening so that the ground, where it was bare, was once again white. The week end was beautiful overhead; but with the wind blowing, was still raw. Saturday Everett, Pat and Richard Saunders were down for supper and while we were doing the dishes we looked out the window and saw the full moon suspended above the river throwing its beams across the river making a rippling road of moonlight.

Robert Saunders spent Saturday night with his friend, Gary Carter from Gilead.

Ira Gibson and Billy Shimamura went into Bethel Saturday evening to watch the rock-a-thons, who had by that time gone from the Casco Bank Building to the basement of the Methodist Church. While the Saunders were in New York visiting with their mother, Mr. and Mrs. Everett Saunders, Robert and Richard went into New York City to the Theodore

Roosevelt Museum of Natural History. This museum besides having dinosaurs, also has animals and birds from everywhere shown in their natural habitats. Mrs. Frank Saunders and son, Troy, also went with them into New York. They took the train into the city and to get to the museum had to walk on 42nd Street and Broadway.

Mr. and Mrs. Albert Judkins from Peru visited the Shimamuras and Thelma Merrill. The Judkins' daughters, Rebecca and Marie, participated in the Rock-A-Thon.

Mary-Beth, daughter of Mr. and Mrs. Daniel Hannon, has had the chicken-pox.

Andy Smith, son of Mr. and Mrs. Homer Smith, Jr., spent Saturday night with his sister, Christine Smith.

Lee Einzig spent a couple of her vacation days at Laconia, N. H.

Wednesday morning Gerry Shimamura, Clarice and Ira Gibson went to Norway and called on my parents, Mr. and Mrs. George Allen.

Wednesday afternoon, Gerry Shimamura and her mother, Thelma Merrill, went to Dryden to visit Mr. and Mrs. Hues. Mrs. Hues was at one time pastor of the Nazarene Church here in Bethel.

Susie Perry of East Bethel had Sunday dinner at Mr. and Mrs. Homer Smith, Jr.'s and family.

Billy Shimamura spent Wednesday and Thursday nights at Mike Friel's in Albany.

Mr. and Mrs. Charles Mason III have named their boy, Charles Mason IV.

Thursday Ira Gibson and I went down to Readfield to see my sister and children, Mrs. Benjamin Tucker, Roxanne and Robert.

While we were there, my folks, Mr. and Mrs. George Allen, and Dad's sister, Mrs. Marion Wilson, Lawrence, Mass., and Aunt Marion's girl, Mrs. Shirley Petzold, Andover, Mass., came. On the way home, we stopped at Oxford and visited Mr. and Mrs. Benjamin Tucker III and Ben IV.

Thelma Merrill, Jane Smith, Mary Cobb, Bryant Pond, and Jo- dy and Gerry Shimamura went to Nazarene Church, Norway, Thursday evening. Mr. and Mrs. Ted Hews, who had just come back from missionary work in South America, were guests there.

Geneva McCoy, Sally Bodwell, and Carolyn Osgood went to Portland Sunday to a hairdresser's convention.

Mr. and Mrs. George Gilbert went to Norway Tuesday evening to visit Mrs. Gilbert's grandniece, Jill. Jill is the daughter of Mr. and Mrs. Harland Johnson and fell out of a tree while visiting her grandmother, Mrs. Grace Morrill, a few days earlier. Bette reports the girl is coming along well.

Mrs. Barbara Immonen and Mrs. Hattie Turner, West Paris, were callers of Mrs. Frank Gibson, the 24th.

Kristy Angevine, daughter of Mr. and Mrs. Dick Angevine, went Tuesday to Mr. and Mrs. Chris Angevine's to visit her friend Michelle. Michelle came to Kristy's Thursday and went back Friday.

Ricky Angevine, son of Mr. and Mrs. Dick Angevine, spent Wednesday to Saturday with Douglass Greenleaf, son of Mr. and Mrs. Eldon Greenleaf.

Robbie Smith, son of Pastor and Mrs. Smith, spent Saturday afternoon with Timmie Angevine, son of Mr. and Mrs. Dick Angevine.

Mrs. Sylvia Benson, daughter Mrs. Sharon Kimball, and granddaughters, Anita and Chantel, went Tuesday to Sabatius for the day to visit Sylvia's daughter and family, Mrs. Sylvia Gardner.

Wednesday, Mr. and Mrs. Frank Benson went to Portland. They went to Augusta and had dinner

at the Steak House. On the way home they stopped in West Sumner to Stanley Stevens.

Dr. and Mrs. Leonard Shaw were Sunday callers at the Frank Gibsons.

Saturday, Mr. and Mrs. Frank Benson went to the Belanger-Perry wedding at the Congregational Church. Sylvia said they left the church on a motorcycle.

Dawn Seames, daughter of Mr. and Mrs. Ricky Seames, will be celebrating her second birthday, April 25. Her birthday present from her father was two baby goats and a nanny.

Ira Gibson went down Sunday to help his great-aunt, Sara Andrews of Albany get wood into her woodshed.

Bob Stearns is still not able to go back to work.

Things are pretty well evened up in this world. Other people's troubles are not so bad as yours, but their children are a lot worse.

Songo Pond

Mrs. Ralph Kimball, Corres.

As we recently gladly welcomed the first robins of Spring to our area we now welcome back the Kallises, the first of our summer residents to return from winter homes. Mr. and Mrs. Jimmy Kimball are also on their way home.

Mr. and Mrs. Lawrence Kimball of Lewisberry, Pa., made a business trip to their home here over the week end.

Mrs. David Salway, Kassi and Brandon, Mrs. Ralph Kimball, and the Herb Adams family of Hanover, went to Otisfield Friday afternoon to help Little Sarah Bean celebrate her fourth birthday, also her parents wedding anniversary.

Recent visitors of the Jack Parsons have been Mr. and Mrs. Mike Parsons of Rumford and their granddaughter, Mr. and Mrs. William Woodworth of South Paris.

Mr. and Mrs. Paul Kilgore and children and Mrs. Dorothy Kilgore of Harrison, Mr. and Mrs. Clifford Miller of West Peru, Jack will go back to Norway Wednesday for a medical check up.

Mr. and Mrs. Don James and family are visiting his relatives in the midwest.

Mrs. Alice Kimball, with her daughter, Mrs. Dottie Adams, were in Portland Wednesday.

April 26 and a little open water is beginning to show between the ice and the shore of the pond. A bit more around the inlet and outlet.

Recent visitors of the Bill Bancrofts were Mr. and Mrs. Archie Stevens, Mrs. Thelma Merrill of Norway, Mr. and Mrs. Walter Grover and baby, Mr. and Mrs. Lawrence Kimball.

When the outlook is dark, try the Uplink.

Miss Amy Hanscom, Corres. — Mr. and Mrs. Norman Young, Byron, visited her sister, Mrs. Louise Learned, Sunday, April 23. Mrs. Louise Learned, Mrs. Doris Lane and Mrs. Barbara Olson were in Lewiston Friday.

Beth and Paul Senecal have returned to their home in Gardner, Mass., after visiting their grandparents, Mr. and Mrs. Norman Kelley, for a week.

Amy and Roger Hanscom have returned home after spending the winter in Locke Mills. The Mother-Daughter Banquet will be held at the Bear River Grange Hall May 10. Upton ladies are invited to attend. Banquet committee: Karlene Bachelder, Eleanor Morton, Gibeley Seelye, Brenda Bartholomew and Persis Post.

Mr. and Mrs. Leroy Thurston, Rumford and Mr. and Mrs. Douglas Hodson, Mexico, called on Louise Learned Saturday. Other recent callers of Mrs. Learned were Mr. and Mrs. Norman Harvey, Rumford; Mr. and Mrs. Larry Cummings and family, Madison.

Winifred Scott, Sunday River, was a supper guest of Mary Tripp Saturday. Mr. and Mrs. Peter Baker and family, Hanover, were dinner guests Sunday. Mrs. Suzanne Hayner, Glastonbury, Conn., was a week end guest of her mother, Mrs. Mary Tripp.

Bruce Padowski, Lebanon, N. H., and Mr. and Mrs. Floyd Staples and family, Lisbon Falls, called on Mary Tripp Sunday.

The Selectmen have received the County Tax bill. The 1978 County Tax is \$5,087 up \$2,081 or 70% from the 1977 tax. Under last year's valuation this will mean an additional 4 of a mill in the tax rate. The County tax is based upon the State valuation of the town. Newry had an increase of 85.9% in the State valuation last year. This is the third largest increase of any town in Oxford County, and is due mostly to increased valuation at Sunday River Skiway and Sunday River Village. Since the State valuation is also used to determine the amount each Town in the School Administrative District pays on the School Budget, an increase in the school budget is also expected. However, since the Town operates on a Jan. 1 to Dec. 31 fiscal year and the School District on a July 1 to June 30 fiscal year, only one half of any increase would be reflected in the 1978 taxes. Payments to M. S. A. D. #44 for the first six months of 1978 will be the

Greenwood City

Mrs. Colista Morgan, Corres. — Just as we finished breakfast, they came in and quacked with cautious excitement; two black ducks swam in semi-circles with heads erect, which was a welcome sight, as they moved about some times walking the ice, making a picture on nature's canvas. In the background stood the hills greeting the rising sun, while a keen wind swayed the trees. They opened the pathway to our day. Each spring for 16 years we have come to expect them some time in April. Although changes in our surroundings have been innumerable, the general scene remains the same. As time progresses, I become more keenly aware of how much things have changed upon simple things, as the early morning songs of the birds or the pasture rose.

Tuesday morning was soft and clear with a robins' chorus just before five o'clock which began to hail the coming day. It preceded the rising sun and the happy voices rolled through my bedroom window. Without birds there would we have learned that there can be a song in the heart?

With the promise of such a day I was up early and found much to do outside. I walked my two miles and this time was able to reach Turtle Bridge by walking a ridge where all the snow had vanished.

The alders hung with little catkins still tightly closed, relaxed, waiting for more sun, warmth, light, then release a wealth of pollen.

The brook flowing full beneath the bridge was a thread of black water between shelves of white snow and ice. It sang a carol of glee to spring in the downy hush of the shallows.

Beyond at the left of the bridge lay the bog. Its teeming waters met the land. The smell of it was fecund and fertile of mysterious life. The sliding sparkle of the water lit the way.

I saw no turtles, and had not expected it.

The cattails stood among the

long green ribbons. A couple of crows discovered me. With their calls I think they can express various shades of meaning. They can be bold, threatening, gossipy, instructive, warning, or loving—but afraid? Never! Today they were warning, telling of my intrusion.

As I walked back, an old dead elm was decorated at every branch tip with blackbirds. Another chorus. I stopped to observe and counted 56 of them.

As I walked on, I was startled by a sliding crashing sound just behind me and at the right. I turned in time to see an accumulation of snow weakened by the sun falling into the ditch.

The sun in a deep blue sky which defies description suffused most of the distant mountains like islands in a sea of liquid shade. They were reposing dreamily and warm.

The falls today, filled their way with reverberating music, tossing waters in a beautiful spray then becoming a wanderer on the pond. I looked at them through my binoculars for a short time.

Now nearly home two partridges made themselves known as they bounded away.

Then as I neared home, two small children were playing near where their father was working.

As they saw me approaching, the smaller called, "Daddy, here comes that old lady." That really made me chuckle. And how true!

As I write this it is evening, almost, but there is still enough light to make the land glow. Our pond sits placid within its cup. This little body of water is tucked snugly in. I can see two muskrats swimming lazily along, the first of the season, and now and then they dive beneath the water and the ice. How free they are and what fun to watch them.

Katherine Hakala entertained at a party at her home on Wednesday evening.

From the Hayes Homestead: Do-

ris Hayes attended the bowling banquet on Wednesday evening. On Monday she drove to Lewiston for an appointment with her eye doctor. On Thursday she drove to Waterville where her husband, Rolly, had to see his eye doctor. Del and Betty Hayes, Auburn, visited on Saturday and the twin daughters of Mr. and Mrs. Duane Hayes, West Paris, were there for the day while their parents were in Portland.

Frank and Dorothy Curtis had for callers this week: Mrs. Betty Curtis, son Timothy, daughter, Teresa; Kathy Curtis, Eva Felton, town; Lee Ann Curtis, Farmington; Mildred Bowman, Hebron; Irene Stevens, Augusta; Philip Bentley, Auburn; Mrs. Herbert Hill, Norway.

The weather is warmer this
 week and the children are de-
 lighted in finding all the things
 that were under the snow on the

 water table, listening to science
 stories and doing movement ac-
 tivities with "Songs to Grow On".

The parent group is sponsoring

 and all kinds of baked goods will
 be on sale.

CHURCH OF THE NAZARENE

Have you ever had a secret de-
 sire to see your minister hit in the
 face with a chocolate cream pie?
 The Bethel Church of the Naza-
 rene is currently having a Sun-
 day School contest and if at the
 end of the contest in three weeks
 (May 14) there is 100 in attend-
 ance at Sunday School Pastor
 Don Smith will have the honor of
 getting a pie in the face. Needless
 to say everyone is busy inviting
 people to attend Sunday School at
 10 a. m. So far the adult Sun-
 day School has had the greatest
 attendance of the nursery (0-3)
 a close second. The pastor's son,
 Robbie Smith, is especially anx-
 ious to see this strange event take
 place. So here's your chance to do
 three things, make a small boy
 happy, see your secret desire ful-
 filled, and best of all a chance to
 study God's Word and see what He
 has to offer you that will help you
 live a happier life with friends
 people who are about you. See
 you in Sunday School.

Buy or Sell First

Should you buy your new home or sell your present one first?
This situation arises consistently when families move up into a larger home in the same general area. In this case, it makes sense to sell the present home first.
The secret, however, is to sell the house under the conditions that the papers will pass and title will be conveyed in, say, 90 to 120 days. This way, you avoid the possibility of owning two homes at the same time.
True, it puts you in a position of being forced to buy another home, but this was your original intention anyway. With a concerted effort, one should be able to buy the right property in the 90 to 120 days allotted.

Also, you avoid the possibility of panic-selling your original home (a good way to lose money), plus you'll know exactly how much money will be available for a down payment on the new house.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2370. We're here to help!

REP. HENDERSON IS GUEST OF DEMOCRATIC TOWN COM.

Rep. James Henderson (D-Bangor) was the guest of the Bethel Democratic Town Committee at an informal gathering Sunday afternoon, April 23, at the Bethel Savings Bank. Henderson, who is seeking the Democratic nomination for Congress in the Second District, outlined his positions on a wide variety of issues, in response to questions from those present. He stated his opposition to the Dickey-Lincoln project, "concluding that Dickey-Lincoln is not in the interests of Maine people from economic, energy or environmental perspectives."

Other energy alternatives, such as conservation, low-head hydro, pumped-storage hydro, tidal hydro, solar power, windpower and alcohol resources, should be pursued according to Henderson. He would favor a coal-fired electric plant, such as the one proposed for Sears Island, if strict anti-pollution controls and land-use controls are enacted and enforced. Regarding nuclear power, Henderson feels that no new nuclear plants should be constructed until a clear solution to radioactive waste disposal is found, and all financial costs are accounted for.

Henderson, born and raised in Anson and Skowhegan, was a member of the faculty of the University of Maine at Orono, his alma mater 1969-1974. In 1971, he was elected to the Bangor City Council, and in 1974, left the University to join Social Systems Research Corporation, in which he has since become a partner. In the same year, Henderson was elected to the Maine Legislature, where he has been involved with judicial, governmental and environmental issues.

Following the Henderson talk, members of the Bethel delegation to State Convention met briefly.

Mrs. Barbara Stevens and Mrs. Loretta Merrill have returned from a trip to Ft. Lauderdale, Fla.

REPUBLICAN CANDIDATES DINNER SATURDAY, MAY 6

On May 6 the members of Oxford County Republican Committee will hold their candidates dinner at the Bethel Inn. A social hour will be held at 5:30 and the dinner follows at 6:30. Mrs. Barbara Brown, Bethel, Tel. 824-2446, is in charge of ticket sales.

There will be no reserved seats other than for those at Head Table and the officers of the County Committee, according to the County Chairman, Stuart Martin and the dinner Chairlady, Mrs. Evelyn Bean. It is expected that all County Candidates as well as several who are running for State office including the gubernatorial candidates will be present or send their representatives. Any one wishing to meet the Republican candidates is invited to attend the dinner, which is not restricted to Republicans.

At the April monthly meeting in South Paris, the speaker was Charles Cragin, gubernatorial candidate, from Falmouth. Mr. Cragin spoke on the Philosophy of the Republican Party, emphasizing the importance of everyone first knowing what the party stands for. He stated that he had spent several months already traveling Maine, and was not making promises, other than to live up to the philosophy of the party.

The five candidates for the Senate seat being vacated by Senator Philip Jackson, were introduced: Howard Millett of Waterford; John Carson of South Paris; Ray Stetson of Norway; Roland Sutton of South Paris and Tom Winsor of Harrison.

The next monthly meeting is May 9 and the delegates from the various towns have been chosen for the Republican Convention at Augusta, May 19 and 20, following which the County Committee elected at the caucuses and confirmed at the convention will meet in June and choose officers for the coming year.
